Dear Sir or Madam:

I recently required Mike Ferreira services for setting up a new Web Page for my business and am extremely satisfied with the results. Mike was very creative and displayed only professionalism when dealing with myself and my staff. He has been very supportive during the whole setup and his on site training and follow up training is only second to none. Mike was always available when we needed him. Should you or your company require Mikes services I strongly recommend him. Please don't hesitate to call me if you have any questions or visit us on our website at lakeshoremeats.com

Sincerely,

Adrian Goemans
